Table of contents

Bug in use case 001 Register to the system as a manager or a user

Description

Al intentar registrarte en el sistema como manager o user nos permite introducir un teléfono inválido.

Results

El equipo de tests encontró el bug.

Bug in use case 004 Edit his or her personal data

Description

Al intentar editar los datos personales del actor autenticado, se permite dejar el email en blanco.

Results

El equipo de tests encontró el bug.

Bug in use case 006 Manage the prizes that are associated with any of his or her raffles, which includes listing, creating, editing, deleting them, or re-generating its codes. Editing, deleting, or re-generating the codes of a prize is allowed as long as the corresponding raffle has not started

Description

Al intentar editar los datos de un premio, se permite dejar el título en blanco.

Results

El equipo de tests encontró el bug.

Use case 014 Manage his or her audit reports, which includes listing, creating, editing, and delet-ing them. An audit report can be edited or deleted as long as the corresponding au-ditor keeps it in draft model; once he or she saves it in final model, it is published and no more edits are allowed; neither can it be deleted

Description

Al intentar crear un report, se permite crearlo en blanco.

Results

El equipo de tests encontró el bug.

Use case 017 Manage his or her social identities, which includes listing, creating, editing, and de-leting them

Description

Al crear una nueva identidad social nos permite crearla con el nick en blanco.

Results

El equipo de tests encontró el bug.
